The Hopkins Music Department will once again be offering an ADVANCED AFTER-SCHOOL STRING ORCHESTRA classes for the 2016-17 school year. These programs will be open to all incoming 4th, 5th, and 6th graders for the 2016-2017 school year who are already playing violin, viola, or cello, or string bass and have **at least 2 years' experience.**

Elementary Advanced Orchestra

- 4th, 5th, and 6th grade **ADVANCED** Orchestra – Open to students at Chadbourne, Gomes, Mission Valley, Mission San Jose
- Starts: Thursday, September 22nd, 2016
- **Meets every Thursday**
- **3:45-5:00pm** at Hopkins Junior High School, Room 24
- Must have AT LEAST 2 OR MORE YEARS experience on **violin, viola, cello, or string bass.** (*Students with less than 2 years' experience who are very "advanced" may be eligible for this class with director approval.*)
- **Class taught by the Director of Instrumental Music at Hopkins JHS**

The Music Department at Hopkins JHS will be hosting the program. The cost of this program is a **one-time \$190 tax deductible donation** for the entire year (September-May) to the Hopkins Music Dept. This offsets the costs associated with the class including equipment, facilities, maintenance, books and sheet music, etc. Students will need to be transported to and from Hopkins. (*No student will be denied participation due to financial reasons.*)

Students will study the basics of string instrument technique and music theory. They will work on improving their technique and skills through exercises, etudes, small group playing, orchestra literature, and method book study. Students will participate in 2-3 concerts during the school year. The classes are designed to prepare students for eventual participation in the Award-Winning Hopkins JHS String Orchestras, which are among the best in California!

This class is also the first opportunity for students to explore switching to new instruments that are not necessarily as common at the elementary level. These especially include viola and string bass, and there may be some school-owned instruments available for use for these students.

Involvement in music benefits the students in many ways. Colleges look highly upon student's who participate in music. The enjoyment that a student gets from succeeding on their instrument and the lasting friendships that are made will stay with them for a lifetime.
