

Can you take STRING ORCHESTRA at Hopkins JHS and Mission San Jose HS, and still meet all college/university entrance requirements? YES...Here's one way!

*These are only sample schedules! There are many variations. AP/Honors class may be substituted in for many classes at all grade levels.*

**Many Orchestra students choose to take one or more years of Foreign Language outside of school (not required), which allows for even more scheduling options!**

**+ = 8<sup>th</sup> Grade "Orchestra" Students ONLY are allowed the option of taking an extra class to accommodate foreign language requirements for college admissions.**

*\*Classes marked "AP" could possibly be used for "Advanced Placement" (AP) classes in high school, depending on a student's skill level in these subjects. There are several options for students to take additional AP tests for college credit if desired as well.*

*\*\*Orchestra classes in 11<sup>th</sup> and 12<sup>th</sup> grade are eligible for concurrent College Credit through Ohlone College (in addition to regular high school credit).*

**5 High School Course Units = 1 Semester; 10 Units = 1 Full Year  
(The University of California System requires 150 College Prep Units for admission.)**
